

Resolution No. 7/2022

Committee on Nuclear Weapons, Non-proliferation & Contemporary International Law

The 80th Conference of the International Law Association, held in Lisbon, Portugal, 19-24 June 2022:

HAVING CONSIDERED the Reports of the Committee on Nuclear Weapons, Non-Proliferation and Contemporary International Law,

EMPHASIZING the importance of legal issues of nuclear security, nuclear nonproliferation and the use of nuclear energy for peaceful purposes, and considering the contribution the Association can make to the study and clarification of these issues,

RECOGNIZING the assessment of relevant law and best practices conducted by the Committee,

THANKING the Chair, the Rapporteur and all contributors for the valuable work done,

RECOMMENDS to the Executive Council that the Committee on Nuclear Weapons, Non-proliferation and Contemporary International Law, having accomplished its mandate, be dissolved.
